The 1973 Viking Is Dedicated To....

LINDA EMILY HELMER
May 22, 1955 –
August 10, 1972

"She seemed to hear
around her the immortal
symphonies of the world."

Well blest is he who
has a dear one dead:
A friend he has whose
face will never change.
A dear communion that
will not grow strange;
The anchor of a love
is death.

ACTIVITIES: People Who Are Ambitious People

Beauty Wins Over All As Sandy Reigns

Homecoming Queen and Court: Holly Chappelle, Dondra Fitz, Queen Sandy Richards, Debbie Redpath, Terri Rutkauske, Sue Baldwin.

Senior Debbie Redpath with Joel Venia.

Queen Sandy and her escort Dave Porter.

Senior Dondra Fitz and Chip Porter.

The stars couldn't match the sparkle in her eyes as the ravishing Sandy Richards was crowned Homecoming Queen for Marysville High on October 20, 1972. Her charm, together with the beauty and elegance of all the class representatives made the homecoming festivities most memorable. Senior court representatives seated are Debbie Redpath, Queen Sandy Richards, and Dondra Fitz. Standing representatives are Sophomore Holly Chappelle, Freshman Sue Baldwin, and Junior Terri Rutkauske.

"Wally says, 'We're Alligator Tough'" was the theme for the Junior class float. The Juniors really gave it all they had and placed second in the 1972 Homecoming float competition.

Homecoming festivities began with the annual homecoming parade. Students filled the streets to watch the colorful scenery of the class floats. Music filled the air as the M.H.S. band played and led both floats and students over to the stadium for a pep assembly. All students showed an amazing amount of spirit, for they knew that in just a few hours at half time, the Marysville High School Queen of 1972-73 would be crowned and the winners of the float competition would be announced.

At half time, music filled the air once more as the ever-faithful M.H.S. band played and formed a lovely "rose garden" in which the Homecoming Queen would be crowned. And she was – lovely Sandy Richards! Queen Sandy and the members of her court reigned over the homecoming dance, "In The Still Of The Night." Queen Sandy and her escort Dave Porter, danced to the Queen's dance while her court joined in. Music was provided by the band "Head First." The Student Council was responsible for the planning and organization of the best Homecoming ever!

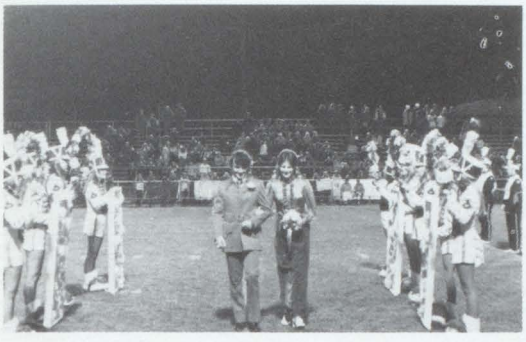

The Homecoming Queen of 1972-73, charming Sandy Richards, and escort Dave Porter.

The Homecoming dance wouldn't have been complete without the rock-and-roll music from the band called "Head First."

"We Won't Be Dragon, Cuz We're All Fired Up," was the theme chosen by the Senior class, which influenced the judges to award the first-place prize of $25 to the Seniors.

Lovely Sue Baldwin and her escort Dale Stump.

Although the Freshmen failed to place in the float competition, their float "Roll on to a Victory!" showed great spirit and ingenuity. The float was constructed at Lori Knox's home.

In the Still of the Night

The sophomore float, which was assembled at Theresa Gardner's home placed third, with the theme of "Vikings Say, 'We'll Beat 'em, Good and Plenty'!"

Charming Holly Chapelle with John Schultz.

People With...

Governing Ideals

Bob Donaldson, Vice-President, and Tim Collard, President, showed leadership ability by directing the Student Council in their Junior year.

The 1972-73 Student Council started the year out sponsoring the 52nd annual homecoming. Vicki Peruski and Cathy Miller, co-chairmen for the event, planned a spirited week for the Vikings. Free refreshments were served, courtesy of the Council, after the Viking March and bonfire preceding Homecoming night. "In the Still of the Night" was the chosen theme for the dance which closed Homecoming "72".

Gardens School hosted this year's Christmas Dance. A successful turnout came to hear the "Fat Cole Band."

The officers went to Area League meetings where they met with other school councils and exchanged different projects the Councils were undertaking.

The Money-Making Committee sold popcorn during Varsity Football and Basketball games which added a little butter to the games.

Plastic coated I.D. cards were distributed throughout the student body for the purpose of student identification at local affairs.

The 1972-73 Student Council mastered a prosperous year for both the students and administration.

"Write On" -- AMPLIFIER

With the help of an able advisor, Miss Clare Vivian, and hard-working, dedicated Co-Editors-In-Chief, Sue VanderMale and Janet Buelow, the AMPLIFIER was again among the top school newspapers in the area.

Even though the staff was small, the willing editors and concerned reporters managed to produce an issue almost every week.

Special issues were printed on all important holidays. Candy canes and a coloring contest highlighted the Christmas issue.

Second semester, the AMPLIFIER started selling ads to finance more pictures in future issues.

The official name of this association is the Marysville Chapter of the Michigan Club of Business and Office Education Clubs (BOEC). Any student of MHS in grades 9 through 12 who is currently enrolled in business subjects and has a career objective of an office occupation is eligible for membership. No member may miss more than three meetings, or he or she may be dropped from the club. This year BOEC members sponsored a successful bake sale and put on a lovely pot luck dinner to which advisors, principal, and superintendent of Marysville Schools were invited. They also sponsored a typing and spelling contest where ribbons and trophies were awarded to the winners.

Besides seeing Sweden, Vicki had the pleasure of visiting Norway and Denmark.

Vicki also enjoyed mountain climbing, sightseeing, and just meeting people.

Vicki expressed her gratification and appreciation with "It was an experience of a lifetime!" She has definite plans to return to Sweden and visit her Swedish family.

Some of the duties of the library students are checking books in and out, putting up newspapers and new magazines, and filing the back issues. Not only do they do all of these jobs, but many more, such as putting returned books on shelves, counting and recording daily circulation of the books and taking care of overdue lists.

Each student has a particular section of the library which is her responsibility. In each section the books are to be straightened and the shelves cleaned.

Each new book must have a pocket, and cards for the paperbacks have to be typed. The student must be able to file cards in the card catalog alphabetically. The girls are graded on how well they do the above and on the worksheets and tests assigned.

Cindy Nordstrom completes library passes.

Student Needs

READ A BOOK
By Lori Wilson
Grade 4
When I'm going on a trip,
With nothing else to do,
I simply go and read a book,
I read the whole night through.
Some books are good
And some are bad;
Some are happy
And some are sad.
So if you're sick
or off the "hook,"
Just remember —
Read a book!

Laura Beam works with card catalog.

Mrs. Gorham has been the librarian at MHS for sixteen years. She is the homeroom teacher for one of the sophomore sections.

During the course of the day, Mrs. Gorham has many duties to perform. She is in charge of making sure all her library assistants are doing their jobs. She also helps students and teachers locate books and other reference material. She prepares the reading material for classes which use the library during the day.

Along with all of these jobs, Mrs. Gorham is also a Junior Class advisor and is an advisor for the Honor Society.

Artists -- Doing Their Thing

Art Club members, with the assistance of Mrs. McCall, were able to accomplish many different items this year. They made humorous animals out of marble. They also made decorations for the 1972 Fall Sports Banquet where ceramic figurines were placed at each setting with flamboyant posters hanging on the walls. Many members constructed picture boxes, three dimensional "portraits," using shoe boxes, greeting cards and plastic wrap. Candles and copper enameled birds were also created by the Art Club.

The Art Club, meeting Wednesdays after school in the art room, enjoyed a very successful year.

F.T.A., Future Teachers of America, sets a format for students who are interested in teaching as a profession.

F.T.A. members attended a Michigan Education Association conference at Central Michigan University in early fall. Members assisted at parent-teacher conferences and sponsored a Valentine's party for the students of the Woodland School. The annual Spring Tea was served for the Marysville district teachers. There were two cadet teachers this year: Deb Lee and LouAnn Vansach. Deb Lee assisted Miss Fedraw in the science department. LouAnn Vansach assisted Mrs. Burns in the physical education department. Both said that besides learning, cadet teaching was fun.

Juniors Are a Very Special People

Snow-covered trees, tiny deer, and a wishing well all complemented a horsedrawn sleigh which set the scene for the 1973 J-Hop, held at the Gardens School.

Decorating committees were supervised by Mrs. Shirley McCall, Chief Advisor for the class of 1974.

Miniature sleighs and snowmen ornamented the table tops. Champagne glasses added an extra glitter to the punch made by Mrs. Mary Becker, Advisor, and cookies baked by members of the Junior class.

Karen Hinkley and Patricia McHenry with their dates, Rick Fultz and Doug Borgman, respectively, hosted for the evening.

Entertainment provided by the "Tradewinds" helped to make a "Winter's Dream" come true.

We're On Our Way To France!

Making caramel apples, having a pancake supper, popping popcorn, sponsoring dances are all part of the French Club.

Why all the fuss? So the members can earn enough money to make a possible trip to France.

The members all help in their share of work. It's going to take a lot of money to send all these members to France and that takes a great deal of selling. However, it would be worth having some of the students from MHS go to France and then have them share their adventures with the student body. Those that went to France last year are Beth DeLine, Pam Snyder, and Ken Rivard.

Majorettes Spark Half Time

The Majorettes sponsored a very successful bake sale and garage sale to raise money for new uniforms. They also made the half time of each home football game a stunning success. During this year they participated in a routine with 1200 other Majorettes at the University of Michigan Band Day. The girls also were ushers at the Christmas and Spring concerts. They led the band in the Memorial Day parade. For the Seniors, this was their last time marching, but the others will be looking forward to next year.

Intramural Sports

Baseball, Field Hockey, and Soccer were fall team sports played by GAA. The Soccer B team came home from Algonac's playday with a trophy. The basketball tournaments, played at Marysville, were victorious again for our girls, with both teams winning trophies. Volleyball and Track were successful for the Viking GAA teams. The Track team was rewarded with a steak dinner at the park.

WE LOVE THE VIKING MACHINE!

As the 1972-73 basketball season came to a close, the Marysville Viking Machine produced an outstanding record. The only two SCAL losses were played with league champs St. Clair. However, the Big Machine outclassed the Saints in the championship game of District play by trouncing them 71-59.

The four senior starters – Mark Turnbull, Captain; Rick Kern, Dave French, and Dave Prevost – played important roles in the execution of a fine season. Dave French, Class B All-Area Honorable Mention, and Dave Prevost, Class B All-Area Second Team and Blue Water Area All-Star Team Honorable Mention, were top rebounders for the Vikings. Rick Kern was at his best--rebounding, scoring, and in all-around participation. Mark Turnbull, selected for the Detroit FREE PRESS All-State Fifth Team, Blue Water Area All-Star Team, and Class B All-Area First Team, was our most excellent player this year, averaging 16.1 points per game.

Our team also had an extremely strong bench this season. Gary Jones, Tim Collard, Tom DeNardin, and Dan Stump were among the top outstanding substitute players. Seniors Mark McHenry and Greg White also contributed much to the outcome of many games. Even though Mark Scheffler was sidelined because of a football injury, his participation in one game and his enthusiastic endorsement of the team was greatly appreciated. Rich Pietroski was also out of action for part of the season but came back to a fine finish.

Above all, a great coach is needed for a great team. Coach McDevitt was superb this year! While he was ill, Coach Braun stepped in to continue our victorious ways.

In the first two games of district play, Marysville pressed out both Marine City 53-38 and Cros-Lex 54-40, going on to win the District Championship by defeating St. Clair. In the first game of regional basketball, the Vikings played an astounding game against Royal Oak Shrine, squeaking out a 53-52 victory. Seven bus loads of spirit raisers stormed down to Southfield High School for a memorable second game, this time, however, losing to Dearborn Divine Child.

VIKINGS, WE LOVE YOU!

SCAL 4th
District 5th

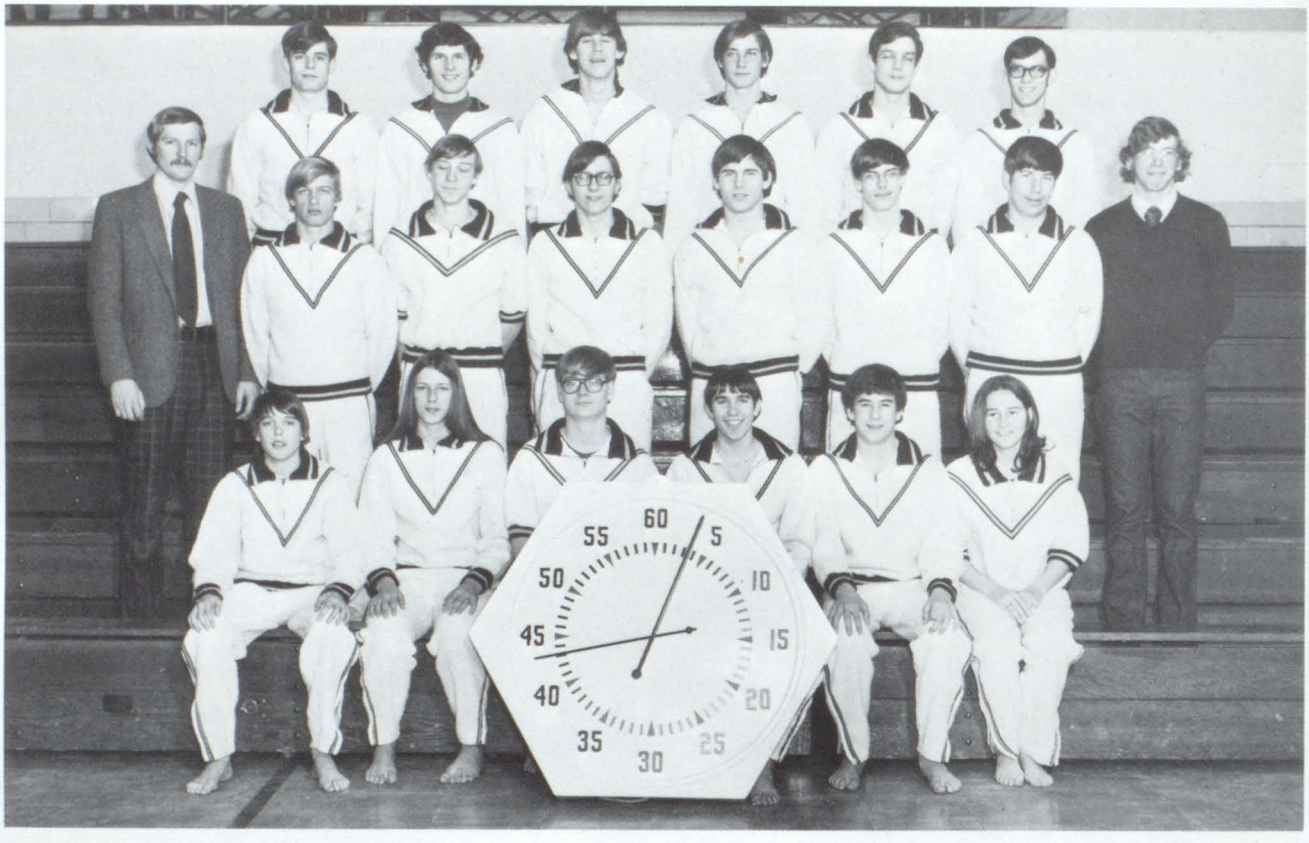

The Marysville wrestling team traveled to the SCAL meet at Port Huron Central with six other teams competing against each other. Viking cave men placed 4th, with three wrestlers from Marysville capturing SCAL titles: Mike Sullivan, 105 pounds; Mike Eagen, 167 pounds; Brad Wheeler, heavyweight. The wrestlers, capturing the SCAL title, went on to the districts at Avondale. There were three winners from Marysville: Kevin Zepp, Mike Sullivan, and Brad Wheeler. The regionals were held March 3, 1973. Mike Sullivan, Brad Wheeler, Kevin Zepp all gave a fine showing, even though they didn't place.

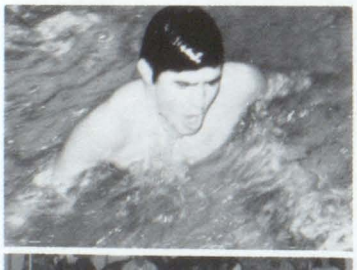

The Marysville Viking Cavewomen Mat Maids traveled where the cave men wrestled. They helped with each wrestling meet by providing them oranges for "GO" power, cheering them on to victories, and helping with the scoring. This year's scorebook keeper was Kim Zepp. The cavewomen planned a party for the great cavemen at the closing of the season.

In Wake of Victory

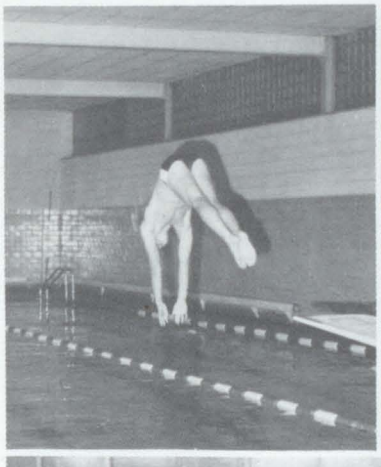

Bolstering the Viking "fish," the timers prepared orange juice and doughnuts once a week after the team's morning practices. At the climax of the season, the girls made a complete breakfast and personally served the boys in the recreation room.

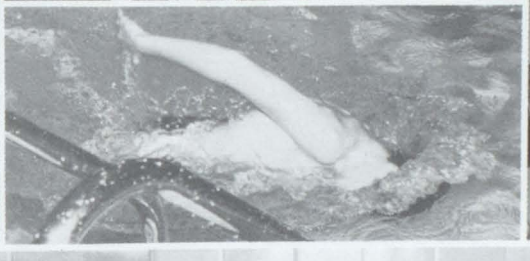

Along with their principal duty of timing at all the home swim meets, they painted posters and distributed flyers promoting the team.

Pushing their record to 12 - 3, the Viking Swimmers introduced more enthusiasm and spirit this season than in former years.

Sponsoring a Swim-a-Thon to purchase lane markers, the team raised seven hundred dollars. Steve Endean was the Marathon Swimmer who completed the most in two hours.

Combining early morning practices with afternoon workouts, the Swim team perfected their skills.

The Varsity Club is a very active and a very "together" club. All members of the Varsity Club can be identified as the outstanding athletes of M.H.S. To Pep Club

Peppy people perked up the Pep Club. Pep Club plugged in their minds to come up with brainstorm after brainstorm in making different signs each week for football, basketball, wrestling, and GAA.

Pep Club had many money-making projects. Bake sales, selling Pep Club sweaters and cowbells were some of the many ways in which Pep Club helped to improve school spirit.

At the football and basketball games, the group joined to form the Viking Wall.

MISS CLARE VIVIAN

MR. FRANK YON, CHIEF ADVISOR

MR. CHARLES SALVO

During the four years the Class of 1973 have attended Marysville High School, their advisors have been a tremendous help in organizing and supporting many accomplishments.

In 1969, the Freshman float was awarded fourth place in the annual Homecoming Float Contest. That year, Terri Pavlov represented her class.

The Sophomore class float was awarded third place and their class representative was Melanie French.

In 1970, the Class of '73 helped other students from MHS capture the world record of packing thirty-seven students in one VW. They also won first place in the Viking Week Field Events.

MR. NEIL COLLARD

MISS JANET ARNO

Advisors Assist with Projects

MR. L.E. ELSHOLZ

In 1971, the Junior float captured first place. "Whale of a Victory" was the theme of the float. In January of 1972, the Junior Prom was held at the Gardens Elementary School. The prom theme was "Midwinter Night's Dream." After the prom, Mr. Puskarich again stepped into the scene and dismantled the props with nothing more than a screwdriver. All in all, everyone had a wonderful experience.

Mr. Puskarich, fondly known as Mr. P., provided many an incentive for entertainment. The class, as juniors, grateful for his time and energy, presented him with a plaque.

The class representative for the Junior Homecoming was Diane Weymouth.

MR. JAMES PUSKARICH

MRS. JANET ELSHOLZ

The class was represented by Dondra Fitz, Debbie Redpath, and Sandy Richards. (The queen was chosen among these three girls, and she was Sandy Richards.)

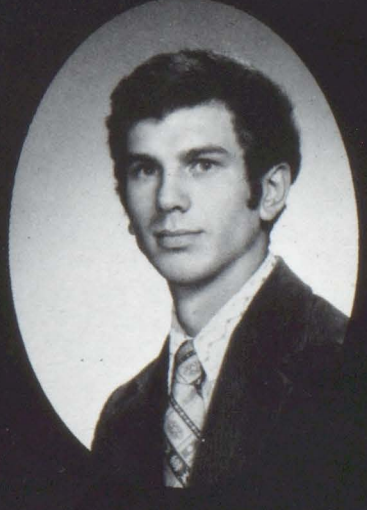

The Senior float took first place again as the class provided the planning and construction of their float.

In early spring of 1973, the advisors began the planning of the Senior Prom. They've also helped plan numerous dances after basketball and football games.

The advisors have guided the Senior class in all their functions and accomplishments.

MOTTO: Challenge is the core and mainspring of all human activity. If there's an ocean, we cross it; if there's a disease, we cure it; if there's a wrong, we right it; if there's a record, we break it; and finally if there's a mountain, we climb it.

JUNIORS: People Who Are Growing

Juniors Really "Get It Together"

Carrie Agostino

We, the Junior Class, would like to express a personal thank-you to Mrs. Shirley McCall, our chief advisor. She should be recognized for all the time and effort she has contributed to our class. Mrs. McCall has given us the guidance and leadership ability that it takes to build class floats, to work as committees, and most of all, to produce a spectacular Junior Prom.

Your friends shall be the Tall Wind,
The River and the Tree;
The Sun that laughs and Marches,
The Swallows and the Sea.

Your prayers shall be the murmur
Of grasses in the rain;
The song of wildwood thrushes
That makes God glad again

And you shall run and wander,
And you shall dream and sing
Of brave things and bright things
Beyond the swallow's wings.

And you shall envy no man,
Nor hurt your heart with sighs,
For I will keep you simple
That God may make you wise.
